

Retrospective

What Went Well

- All the assigned tasks were completed on time.
- Meeting timing went well and well communicated before.
- There was a lot of content to write about, so the research went well.
- Rescheduling meeting worked well considering the task and progress of work.

What Can be improved..

- Sprint scheduling could be done better.
- Organize research notes better

Action Items

- Keeping track of tasks so that MVP is delivered on time.
- Working on Jira so that everyone knows their task for the sprint.
